

## I'M ONE OF A KIND

### Poster

Pass crayons around and let each person choose a color. (If your family is small, you may each need two colors.) Pass around the cards with the parts of the picture written on them until all have been given out. Take turns having each person color their part with the crayons. You should end up with a "ONE OF A KIND" person you can have fun with.

Hat	Hair	Face
Shirt	Hands	Pants
Shoes	Neck	Eyes
