

CORNERSTONE WARD PRIMARY JUNE 2004

June Focus:

Heavenly Father teaches me how to strengthen my family.

Scripture:

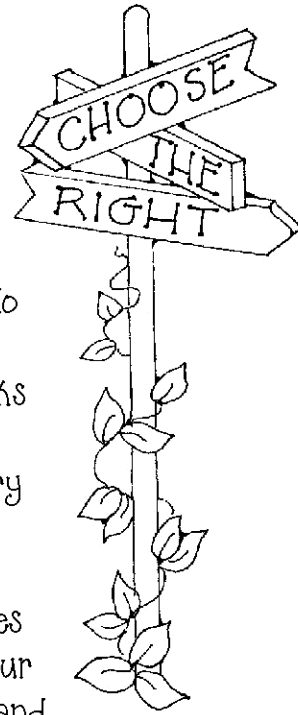

"And ye will not have a mind to injure one another, but to live peaceably."

(Mosiah 4:13)

Article of Faith #6

We believe in the same organization that existed in the Primitive Church, namely, apostles, prophets, pastors, teachers, evangelists, and so forth

This month's theme is "Heavenly Father teaches me how to strengthen my family." We learn a lot of things when we come to church each Sunday. Heavenly Father wants us to be at church and listen to our church leaders so we can know how to strengthen our families. Some of the things we can do to strengthen our families are to have family prayer, read scriptures, and have Family Home Evening. Our prophet speaks today for our Heavenly Father. President Hinckley said, "Let every family in this Church have prayer together." As primary children we can be a great influence and can help remind our parents of these important things. We know that living the gospel brings us joy and happiness. Our Heavenly Father loves each one of us and knows us individually and knows each of our needs. He also knows that following what the prophets say and what the gospel teaches us will bring us Real happiness. Give your family members a big hug and tell them how much you love them. Let's try to focus this month on strengthening our families!
