

Dear Santa

We don't have a chimney and
I was worried as could be
About how you'd bring the
presents to my family and me.
But now I've solved the problem
And I'm not sad anymore,
For hanging from this ribbon
Is the key to our front door.

Dear Santa

We don't have a chimney and
I was worried as could be
About how you'd bring the
presents to my family and me.
But now I've solved the problem
And I'm not sad anymore,
For hanging from this ribbon
Is the key to our front door.
