

Happy Father's Day!

Red is for courage that you show me each day,
to do what is right in all I do and I say.

Green stands for life (you helped give it to me)
You help me learn with all I do and I see.

Yellow is for service we give those in need.
You are my example, a good one indeed!

Orange is energy you need as a dad
To always care for me when I'm good or I'm bad.

Purple is royalty ~ I am also child of a King
Who entrusted me to you, to teach me everything.

Taste the Rainbow!
