

Bee A Little Better

Each of us can do a little better than we have been doing. We can be a little more kind. We can be a little more merciful. We can be a little more forgiving. We can put behind us our weaknesses of the past, and go forth with new energy and increased resolution to improve the world about us.

We have a work to do. Let us roll up our sleeves and get at it, with new commitment, putting our trust in the Lord.

-President Gordon B. Hinckley
