

My Million Dollar Daddy

My dad is really special, he's the best
Dad there ever was.

Let me tell you about him, and some
of the things he does.

He's the best example of fatherhood.

He's smart and handsome and smells
real good.

He helps me with things that are hard,

He helps me when I work in the yard.

He leads us in family prayer at night,

He makes me feel better when I've
had a fight.

This Dad of mine shows me the way,

To laugh and joke when we play.

If I had a dollar for each way he
makes me glad,

I'd have a lot of money, because he's
my "Million Dollar Dad!"
