

*Become Your Best Self-Starting Now*

President Dieter F. Uchtdorf said, "With every new day, a new dawn comes—not only for the earth but also for us. And with a new day comes a new start—a chance to begin again."

He also explained that when we fail to reach our goals, "we can be empowered. ... Even though we might fall short of our finish line, just continuing the journey will make us greater than we were before."
